

If Food Could Talk...

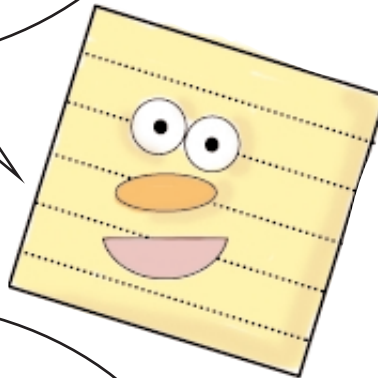

...It might tell RIDDLES!

Do you speak food language? Unscramble the **SCRAMBLED** words below, and find out what our special Passover food is trying to tell us!

I am a symbol
of both REEFMOD and
FEFUSRING at the same time.

How can this be?

Many people feel like LASEVS, even though
they are FERE. Freedom depends on how
you HINKT and LEFE, not just on
where you are or what
you have to do.

Here's an
egg-septional riddle:
How were the Israelites
in Egypt like eggs?
The harder I am DEKOOC,
the GUTOHER I get. The harder the
SNAITGYEP worked the Israelites, the
RONSGERT they became as well.

ANSWERS: freedom, suffering, slaves, free, think, feel
cooked, tougher, Egyptians, stronger
