Unscramble the **SCRAMBLED** words below, and find out what this means:

Limk and nohey

(If Food Could Talk 2)

My friend (below)
and I are symbols of **LASIER**
and also of the words of
the **RATOH**. The number value of my
Hebrew name, halav, equals 40,
the number of days
Moses spent on Mount **INIAS**.
Got **LIMK**?

I'm the **TURIF**
of the first tree mentioned
in the Torah. I'm one of the
VENES species of fruit that symbolize Israel.
When you hear about "milk and **NOHEY**",
it's not from bees, it's fruit syrup from a
GIF like me, or from dates.
My hebrew name is te'ayna.
I'm so **TWEES!**
