Words About Water

Rabbi Akiva was
40 years old and didn't even
know how to read and write.
He said to himself, "If water can **RIDLL**
through a hard **KROC**, surely the strength of
HOTAR can penetrate a tender **DIMN**."
And so, Akiva turned to study and
became a great Talmudic scholar
and a leader of his people.

Look at the
waters. (Glub-glub)
When they flow **TEGOHERT**,
they **SEWEP** along stones, trees, earth and
other things. But if water is **VEDIDID** into many
small streams, the earth **WALSLOWS** them up
and they **VASHIN**. (Glub-glub)
That is also what happens to
people if they are divided.

ANSWERS : drill, rock, Torah, mind, together, sweep, divided, swallows, vanish
